## NEWS OF UTAH AND ADJOINING STATES

## Ogden News

Office-336 Twenty-fifth street. Circulation Department \$36 twenty-fifth street.

(Special to The Herald-Republican.) Ogden, Dec. 11.—The little town of Middleton, in Ogden valley, is threatened with an epidemic of scarlet fever, according to reports received here today by the county health officers. Several cases are reported, and the whole town is said to be exposed to the disease. Immediate steps to prevent the further spread of the disease will be taken by the health authorities here.

(Special to The Herald-Republican.)

Ogden, Dec. 11.—Completing the last lap of his long overland journey, William Crocker passed through Ogden yesterday in a special car bearing the body of his brother, George Crocker, who died in New York recently. The private cars were attached to a Union Pacific train, one bearing the body and the other for the funeral party. The train will reach Oakland on Sunday morning, where the funeral will be held. Ogden, Dec. 11.—The little town of Mid-dleton, in Ogden valley, is threatened with an epidemic of scarlet fever, ac-cording to reports received here today by the county health officers. Several cases are reported, and the whole town

# Uncalled-for Suits and **Overcoats**

Your opportunity is here to secure a genuine tailormade suit-one actually made to order, but having been left on our hands by parties who were unfortunate or for other reasons failed to call for them.

My tremendous season's business has, of course, been responsible for this condition, for wherever there is a big business, there are bound to be some losses.

I also control several other tailoring establishments throughout the country, and I have brought all leftover suits and overcoats here to make this an unprecedented sale - one involving several thousand dollars' worth of "left-on-hand" garments which I am going to sacrifice at practically

Every one carries my guarantee of quality, and I will personally attend to the fitting.
